The Debtor(s) state that the judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the debtor would have been entitled under 11 U.S.C. § 522(b). Unless otherwise ordered by the Court, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon entry of an order, whether included in the order confirming the plan or otherwise avoiding liens or security interests. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Part 5.1 to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid as a secured claim under the plan. See 11 U.S.C. § 522(f) and Bankruptcy Rule 4003(d). If more than one lien is to be avoided, provide the information separately for each lien.
